Hi Dan,

Attached to this email are the recalculations done for the BERA after an error was found while Integral initially prepared Appendix C (Residual Eco Risk) for the FS. Also attached, just for reference and not necessarily for the presentation, is the updated Appendix C.

I have also included a blank template for the presentation.

The address of the Chatham Township Municipal Building where the CAG meeting will be held is:
58 Meyersville Rd, Chatham Township, NJ 07928

Please let us know if you have any questions.

Thank you,

Supinder
